

NP-PFC101

Carbon Postfilter Cups for Water Distillers

Residential/Commercial Filtration Applications

Standard Features

- Manufactured in China
- For use with the Nautilus® and Dol-Fyn® Water Distillers
- Fits into countertop or automatic model, or the in-lid postfilter retrofit for glass jars
- Eco-friendly coconut shell granular activated carbon (GAC)
- Pack of six (6) postfilter cups per box including double-sided insert with installation instructions
- Made with BPA-free materials

Product Specifications

Contaminants Reduced

Chlorine taste and odor

Media Type

Coconut shell GAC (granular activated carbon)

Cup Diameter

2-3/8" diameter

Replacement Schedule

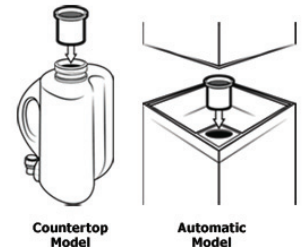

Approximately every two (2) months

NOTE:

Before installing a new filter, soak in boiling water for 10 minutes. This enables proper flow and removes any carbon fines and air bubbles present in the carbon.

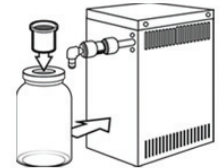

WARNING:

Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system.

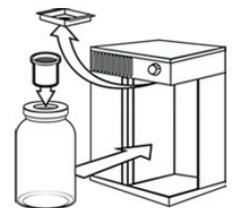

Countertop Model

Automatic Model

Countertop Model with In-Lid Post-filter Retrofit

Automatic Model with In-Lid Post-filter Retrofit

Contaminants Reduced:

- Chlorine Taste and Odor
